A screenshot of a Firefox browser window displaying the BioQuaRT website. The browser's address bar shows the URL "www.ptb.de/emrp/bioquart.html". The website header includes the EMRP logo (European Metrology Research Programme) and the European Union flag. The main heading reads "Biologically weighted quantities in radiotherapy". Below this, a welcome message says "Welcome to the website of" followed by the BioQuaRT logo. A sub-heading states "A Joint Research Project within the European Metrology Research Programme EMRP". A link is provided for "Publishable Summary". At the bottom, a footer note mentions funding from the European Union and a last update date of 2012-12-10. A navigation menu on the left lists: Home, The Project, Work Packages, The Consortium, Publications, News & Events, Related Activities, Members Area, and Contact.
